# **Nutrition Information for Parents/Guardians**

As a Texas Rising Star provider, we must abide by certain nutrition policies and procedures. Please be assured that during mealtimes we practice the following:

- Liquids and foods that are hotter than 110 degrees Fahrenheit are kept out of the reach of children.
- Staff are educated about food allergies, and they take precautions to ensure that children are protected.
- On days that providers serve meals prepared food that is brought to the program to be shared among children is commercially prepared OR prepared in a kitchen that is inspected by local health authorities.
- Healthy snacks (as listed by the Texas Department of Agriculture) are available for school aged children as they arrive from school.
- Staff do not reward good behavior or clean plates with food of any kind.
- On days providers serve meals: milk, fruits and vegetables are available for children who bring lunches from home (see guidelines for food brought from home below).
- Texas Minimum Standards 746.3311 Subchapter Q (c) You may encourage but must not force children to eat.

### Regarding food brough from home. We practice the following:

- Terry's Treehouse cannot be responsible for the nutritional value of food brought from home; but we do require that outside foods be CACFP compliant.
- We are unable to make separate lunches or heat food brought from home. Therefore, outside foods will need to be packed with cold/ice packs if the foods need to remain cold. If the food needs to be heated, please bring it preheated in a heat retaining container.
- Exceptions may be made on a case-by-case basis and MUST be approved by the director or assistant director. Exceptions may require a physician's statement or other documentation outlining the reasons for the exemptions.
- We have policies in place outlining strategies to educate children and their families on nutrition.
- We provide parents with information about foods that may cause allergic reactions.
- We provide sample menus of healthy lunches for parents whose children bring food from home.

For Sample Menus please visit:

https://www.choosemyplate.gov/recipies-cookbooks-and-menus

- Introduction to staff.
- Introduction and visit with classroom teachers.
- Overview of the parent handbook.
- Policy for arrival and late arrival.
- An explanation of Texas Rising Star Quality Certification is provided.
- Encouraging parents to inform the center/provider of any elements related to their CCS enrollment so that the provider may be of assistance.
- An overview of family support and resources and activities in the community.
- Child development and milestones provided.
- Parents are informed of the significance of consistent arrival time. Children should arrive before the educational portion of the program begins to limit disruption. Consistent routines prepare children for the transition to kindergarten.

To facilitate better communication between the parent and caregiver and the parents and child, it is best if the parent is not distracted by the use of electronic devices while at the center/home.
- Statements are shared with parents reflecting the role and influence of families.

Dear Parents:

At Terry's Treehouse we have implemented a communications app called Pro Care. This app gives you and us the ability to communicate electronically and in real time. You can also check your child in and out through the app as well as make payments.

To download and have access to your child's teacher we need to make sure we have working cell phone and email addresses for each parent/guardian. Once enrolled in our center we will send you an invitation to connect to the center.

Please fill out the information below completely so you will not miss any information about your child's classroom!

We also need a number to contact you in case of emergency.

Thank you for the opportunity to care for your child.
